

Staggered departure at the end of the school day

Many thanks for your help with departure at the end of the day. The children are learning the new

routine very well. Thank-you for going through with your child/ren how they are getting home and where you are picking them up and if you are using the staggered pick up times this week to collect your child/ren. Thank-you for going through with your child/ren - how are you getting home from school every afternoon? The following images are to assist you in working out the afternoon pickup arrangements.

Yesterday your child should have brought home your **LAST NAME** in a plastic sleeve. We ask that you put this on the dashboard passenger's side to assist our aides at pick up time. Many thanks again for all of your help and patience during these many changes.
