

Logan Reserve State School

“Always Our Best”

Dress Code for Students

This policy has been developed in accordance with the Education (General Provisions) Act 2006 (Sections 360-363, Section 282) and the Department of Education, Training and Employment's policy: Student Dress Code. It clearly explains and documents the standards of acceptable dress at Logan Reserve State School. The Logan Reserve State School Dress Code was endorsed by the P&C Association in November 2024.

Rationale for School Dress Code

Adhering to the School Dress Code at Logan Reserve State School by students will assist the school community to:

- Enhance student safety by ready identification of members of the student body.
- Ensure health and safety requirements according to relevant legislation and policy.
- Minimize harassment attributed to, and accentuated by, dress.
- Ensure flexibility of style, colour and fabrics, based on factors such as temperature and humidity, exposure to ultra-violet radiation, flammability, personal comfort, body shape, and appropriateness for the activity.
- Ensure that both male and female students have items of dress that allow full participation in physical activities.
- Minimize stereotypical ideas.
- Encourage respect between students and school staff, students and community members, and among students.
- Contribute positively to a supportive school environment.
- Encourage effective learning and teaching practices.

Logan Reserve State School is a uniform school, with an endorsed uniform policy and children are expected to wear the Logan Reserve State School uniform correctly at all times.

Logan Reserve State School plays an important role in our community. Student dress codes should promote the good image of the school within the community and should encourage students to uphold and enhance that image. The wearing of the correct school uniform encourages pride in both school and self.

Parents are requested to ensure that their child has the **appropriate** uniform to wear.
